**CONSENT FOR ACCESS TO  
PROPERTY**

Name of Property Owner: **Citizen Name/Ex. 6**

Location of Property: **Personal Address/Ex. 6**

I hereby give my consent to officers, employees, and authorized representatives of the United States Environmental Protection Agency (EPA), U.S. Department of Interior-Bureau of Land Management (BLM), U.S. Department of Agriculture-Forest Service (FS), and the State of Colorado (the "Authorized Personnel") entering and having continued access to the above referenced property for the following purposes:

1. Staging of materials for response activities;
2. Temporary roads and utilities;
3. Any other actions the EPA determines are necessary to address releases from the Gold King Mine.

The consent is provided on the condition that the Authorized Personnel will, to the extent practicable, return the subject property to the same condition that it was in prior to the execution of this Consent for Access to Property; including, but not limited to, the removal of any temporary staging materials that may be brought onto the referenced property hereunder.

By granting this access to and use of the Property for the Work, the Property Owner assumes no responsibility or liability for any claims, losses, damages, costs, expenses or lawsuits which may be asserted or brought against or incurred by the Property Owner from or by third parties with respect to any acts or omissions in or related to the Work or any other activity on or about the Property as authorized under this Consent for Access.

As a further condition on this consent, EPA shall require its general contractor and subcontractors to secure, pay for and maintain during the term of this Consent the following insurance in the following minimum amounts, with respect to claims and liabilities arising from any activities on the Property by such general contractor, subcontractors or anyone directly or indirectly employed by them exercising the access rights granted by this Consent: Commercial general liability insurance (including coverage against bodily injury or death, property damage and contractual liability) in an amount not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate.

I recognize that these actions are undertaken by the EPA pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9601 et seq., as amended. This Consent for Access replaces the Consent for Access signed by Property Owner on October 1, 2015.
